OPERATIONAL GUIDELINES FOR THE 2014 SUMMER CAMP PROGRAMS

The attached list of Community Education and/or Before/After School Program locations have been identified and approved as the sites that will be providing Summer Camp programs during the 2014 Summer Services session. These 78 designated sites are required to provide Summer Camp participants with educational and motivational programming that aptly adhere to the following schedule and rates. Any changes to this schedule and rates must be updated and approved in your 2014-2015 Community Education and Before/After School Programs Budget Projections and Planning Packet and sent to the Office of Community Education.

Principals that have been identified as having a Summer Camp that will be operated through one of the following Board approved outside agency after school care providers (Young Men's Christian Association (YMCA), Young Women’s Christian Association (YWCA), Family Christian Association of America (FCAA), Cool Kids Learn (CKL), After School Programs (ASP), South Florida After School All-Stars (SFASAS), or Sunshine After School Child Care (SASCC) are required to allow the provider to facilitate the operation of a summer camp and/or after school care program as part of their annual agreement with the District.

The 2014 Summer Camp Programs will start on Monday, June 09, 2014, and will end on Friday, August 15, 2014. Summer camp end date can be changed to an earlier date if preferred.

OPERATIONAL GUIDELINES FOR THE 2014 SUMMER CAMP PROGRAMS

FYI: As part of the District’s energy conservation plan, Summer Camp sites with less than 20 students enrolled as of Friday, June 20, 2014, may be recommended for closure.

Please remember that a student is not eligible for combined discounts at any time. Only one of the following discounts can be applied during any given service period:

- approved Student Fee Waiver (FM 2599),
- active ELC Fee Subsidy,
- verified Free and Reduced Lunch rate status.

Summer Camp students that are not subsidized through the Early Learning Coalition (ELC), and do not have a Student Fee Waiver, but are verified as having free or reduced lunch status will have their daily rate reduced by $2.00 during the All-Day Summer Camp or $1.00 for the Half-Day Summer Camp After School session. (See below)

- $20.00 to $18.00 for Full-Day Summer Camp (Elementary, K-8, and Middle)
- $12.00 to $11.00 for Half-Day Summer Camp After School Program (Middle)
- $8.00 to $7.00 for Half-Day Summer Camp After School Program (Elementary)

Students that are subsidized through ELC are considered full-time when attending a program for 30 or more hours per week. Each Summer Camp participant must make sure that their students are eligible for the full-time subsidized rate provided through ELC in order to benefit from the subsidized amount that can be up to but no greater than $16.60 per day. As always, parents must pay the difference between the full-day rate that ELC has approved for a particular student and our $20.00 rate.

All Summer Camp principals who intend to hire select part-time 2014 Summer Camp Program personnel that may need to work in excess of the approved 25 hours per week during the summer session are required to complete the Hourly Waiver Request Form (FM 6647).

All Assistant Principals for Community Education (APCE) and all full-time Community School Specialists who work at the identified 2014 Summer Camp locations should carry out their daily working hours sometime between the hours of 7:00 a.m. and 6:00 p.m.

All Assistant Principals for Community Education (APCE) and all full-time Community School Specialists whose sites are not open during the summer session will continue to be under the direction of their school site principal and each should begin preparations for the start of their Community Education programs and/or Before/After School programs for the 2014-2015 school year.
